Professional Summary

Aspiring Java Developer with strong Knowledge of core java, OOP, Collections, Exception Handling, Multithreading and JDBC. Currently learning Spring Boot and Building backend Projects. Passionate about writing clean , efficient code and eager to contribute as a Java Developer Intern.Quick learner with strong analytical and problem – solving skills, committed to building scalable backend applications and continuously enhancing technical expertise.

Education

Mewar University Chittaurgarh, Rajasthan
Bachelor of Technology in Computer Science | CGPA: ***8.00 / 10*** *Aug 2023 – May 2027*

Technical Skills

Programming Languages: Java | SQL | C | C++ | Python(Basics)
Core Java : OOP, Collection Framework, Exception Handling, Multithreading, File Handling, JDBC.
Framework: Spring Boot (Learning)
DataBase: MySQL
Web Technologies: HTML, CSS.
Version Control: Git, Github.
Tools: IntelliJ IDEA, VS code, Eclipse.

Projects

Online Quiz System | *Java, JDBC, MySQL,Collection* Jul 2026

- Developed a console-based online quiz System using java, JDBC, and MySQL.
- Implemented user authentication and database connectivity.
- Stored and retrieved quiz questions using JDBC.
- Calculated and displayed the final score automatically.
- Used java Collection (ArrayList / Hashmap) to manage quiz question efficiently

Multithreaded File Downloader | *Java , Multithreading* May 2026

- Developed a multithreaded file Downloader using java.
- Used multiple threads to download file parts concurrently for better performance .
- Implemented Thread , Runnable, join(), and synchronization for efficient execution.
- Applied Exception Handling to manage Download Errors.
- Improved download speed and ensured reliable file processing.

.

Certifications & Awards

AI/ML Certification | CTTC, Bhubaneswar May 2025
Top 10 Finish among 200+ Teams | Hack2Skill State-Level Hackathon Apr 2026
